Developing Top-Notch CNAs, One Inservice at a Time

A Communications Module: Working with a Team

Are you "In the Know" about working with a team? Circle the best choice or fill in your answer. Then check your answers with your supervisor!

- 1. True or False**
The Speech Therapist helps clients with trouble swallowing.
- 2. True or False**
A client who has trouble walking may need a Physical Therapist.
- 3. True or False**
The Social Worker encourages clients to socialize by joining activities and developing hobbies.
- 4. True or False**
The most important member of the healthcare team is the Physician.
- 5. Your client would like to know why he is on a certain medication. The best answer to give when you don't know the answer is:**
 - A. "I don't know."
 - B. "I'm not sure, but I can help you find out."
 - C. "You should ask the doctor who prescribed it."
 - D. "Medications are not my job."
- 6. True or False**
If your supervisor asks you to perform a task that you are not sure how to do, you should pretend like you know and just do it.
- 7. True or False**
Documentation is the main way that team members share information.
- 8. True or False**
Your client tells you her adult son has been hitting her and stealing money out of her purse. The best person to help would be a Social Worker.
- 9. True or False**
The team member responsible for each client's plan of care is the RN.
- 10. Fill in the Blanks**
Your client has been depressed and withdrawn. He tells you God must have forgotten about him because he keeps praying but getting no answers. You may suggest he speak to the _____.
