

Slightly Used or New

DONATE YOUR SHOES TO:

Instead of holding on to shoes you no longer use, give them new life! Your donation will have a local benefit through CARES and change lives of others in remote communities around the globe.

HERE'S HOW IT WORKS:

- Collected shoes are purchased and the proceeds benefit CARES, whose non-profit services help seniors, caregivers and families in this community.
- The shoes are then sent to impoverished countries and used to start up micro-enterprises.
- Micro-enterprises help to lift families out of extreme poverty in devastated economies and emerging nations.
- Individuals are seeded with shoes to sell and provide sustainability for themselves and their families.
